

## Online Deposits

Did you know you have the convenience of making online deposits to your accounts at Richardson GMP Limited using your online banking site? Simply log onto your personal banking website from the comfort of your home and transfer funds. Deposits will be reflected in your account within 48 hours.

### Here is how it works:

1. Log into your online banking service
2. Follow your financial institutions instructions to set up a new Payee in the bill payment area
3. To setup a new Payee, search for GMP
4. The results page should return GMP Securities L.P. - please accept this
5. You will then be prompted for an account number (enter one of your Richardson GMP account numbers)
6. Once accepted, you're done

Please note that you will have to repeat the above directions to setup additional Richardson GMP account numbers for bill payment (transfer) setup.
