

Did you know you have the convenience of making deposits to your accounts at Richardson GMP Limited using your online banking site? Simply log on to your personal banking website from the comfort of your home and transfer funds.

### Here is how it works:

1. Log on to your online banking website.
2. Follow your financial institution's instructions to set up a new payee in the bill payment area.
3. Set up a new payee by searching for "GMP".
4. The results page should return "GMP Securities Ltd" or "GMP Securities L.P." depending on your financial institution. Please accept this.
5. You will then be prompted to enter your account number.  
Enter one of your eight-character Richardson GMP account numbers with no hyphens or spaces.
6. You're done!

**Please note:** Repeat the steps above if you are sending money to more than one Richardson GMP account.

This service is only available to Canadian dollar accounts.
